NORBERT NIEDERKOFLER

St. Hubertus

With 3 Michelin stars, the St. Hubertus Restaurant is the pride of the Hotel & Spa Rosa Alpina. With only 11 tables, it is as exclusive as it is elegant. It was born in 1996 and owes its name to the Saint protector of hunters. The dining experience is best summed up in the words of chef Norbert Niederkofler: "The variety comes from mixing simplicity. The best product is the basic assumption. I put my effort in respecting the product and enhance it using the right cooking method. The result must be "visible" both in the taste and in its aesthetic, it must be delicate and simple but still surprising. The lightness can be seen and tasted".

PAOLO DONEI

Malga Panna

The chef Paolo Donei was awarded with a Michelin star when he was only 19 years old and has maintained it for over 20 years thanks to his authentic cooking, that respects the traditions of Trentino and the nature surrounding the Malga Panna restaurant.

RENZO DAL FARRA

Locanda San Lorenzo

The restaurant's history goes back to January 7th, 1900 from a very passionate family. Here chef Renzo Dal Farra gets everybody excited with a very traditional cuisine made of local products but still very contemporary.
