Welcome to Dubai

THE CITY OF LIGHTS IN THE MIDDLE EAST

Once at the airport, you will already feel the vibes of this exciting city. Coming from being just a small fishing village in the Arabian Gulf, Dubai is today one of the most cosmopolitan cities in the world, home to nearly 200 nationalities. You will live and breath a sense of possibility and innovation and experience memorable attractions and landscapes, from its magnificent city skyline with the world's tallest building to the traditional banks of the Creek and from the unparalleled coastline to the beautiful desert.

Dubai

AND THE MUST-VISIT

The warm sun and the vibe of this city will wake you up and get you ready to head off for your first Dubai adventure. Immerse yourself in the action by choosing to visit the majestic Burj Khalifa for a fabulous view of the city or explore the spice and gold Souks in the old town to have a more traditional feeling.

Explore the Dubai Mall with its 1000 stores or just enjoy the morning by the beach. After this free morning, you will have the chance to try the iconic Dubai brunch at the luxury Burj al Arab, one of the tallest hotels in the world, designed with the shape of a sail, that became one of Dubai's symbols and main tourist attraction.

Jebel Jais

ROAD TO THE DESERT THROUGH ITS THRILLING BENDS

Less than 2 hours north from Dubai is the emirate of Ras Al Khaimah, surrounded by the fierce Hajar Mountains. Here you will experience a breathtaking drive through the bends of Jebal al Jais which is the UAE' tallest pinnacle with its 6,200 feet. Leave the surge of the city behind as you wind your way up the mountain to enjoy an aperitif with a stunning view.

In Ras al Khaima the nature is so diverse that outdoor enthusiasts will fall in love with the alternating landscapes, passing also from the sandy shores to the incredible red dunes of the desert, where you will spend a magical night.

Al Wadi Desert

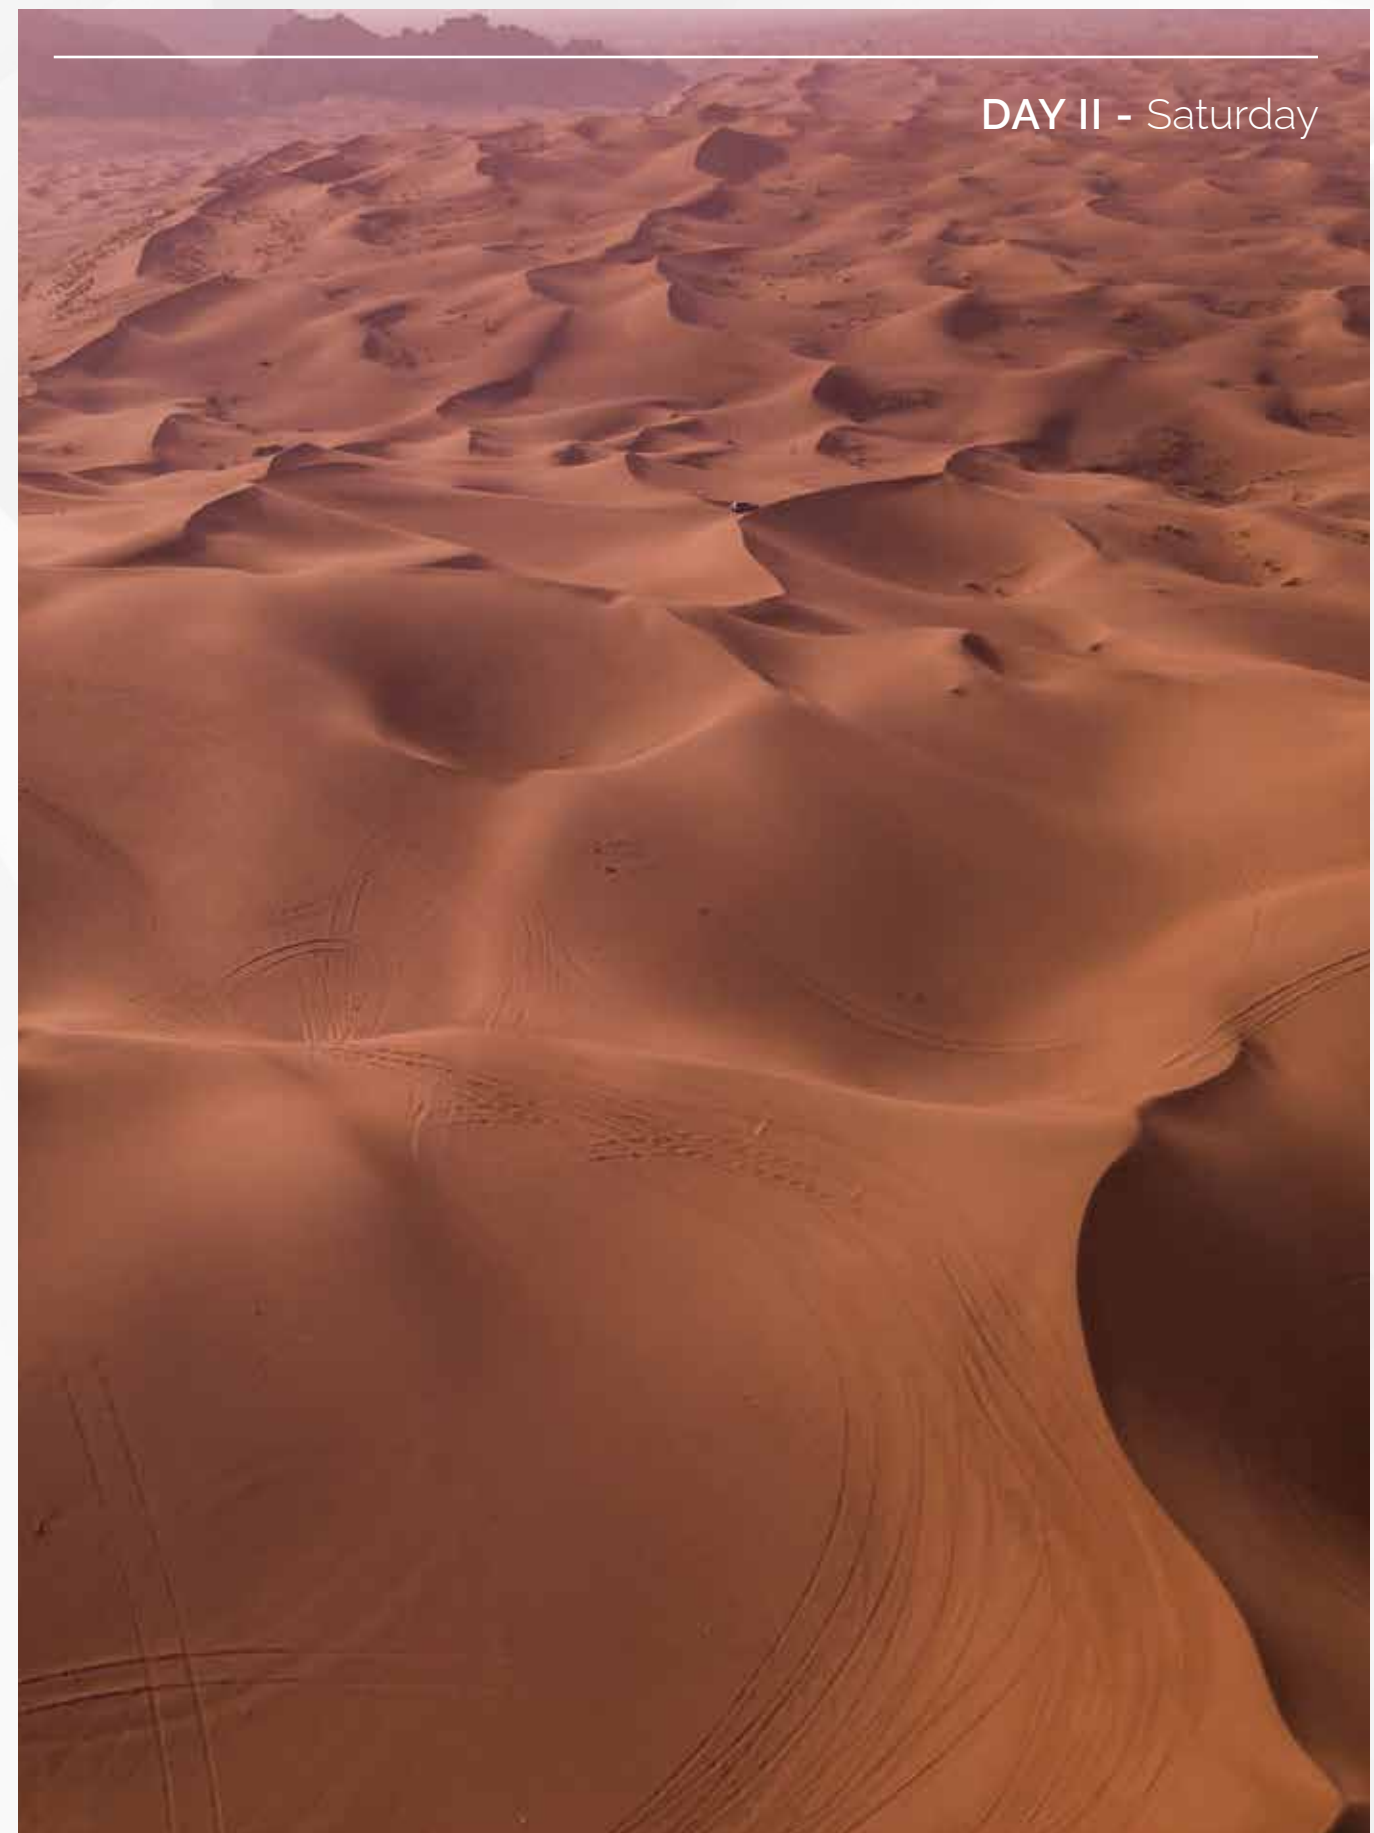

FROM WILD NATURE TO THE STUNNING LANDSCAPES OF HATTA

Waking up in Al Wadi desert, you will find yourself surrounded by an incredible natural reserve and will be able to admire its wildlife such as oryx and gazelles directly from your room.

A couple hours drive will then bring you to discover Hatta, a unique destination in the UAE, that is becoming popular among those who seek relaxation in a natural place thanks to the vast lake formed by Hatta Dam and its surrounding mountains.

DAY II - Saturday

Fujairah

AND ITS PRISTINE BEACHES

Departing from the desert of Ras al Khaima, we make our way to the Emirate of Fujairah, home to some of the nicest beaches in the UAE. Just a short ride north, we will reach Al Aqah beach, dominated by the rocky outcrop of "Snoopy Island" just offshore, also one of the country's best-kept secrets. With its crystal clear waters and the beautiful coral reefs and marine life, a dive in the waters around Snoopy Island is truly one to be remembered.

DAY III - Sunday

A thousand and one nights experience

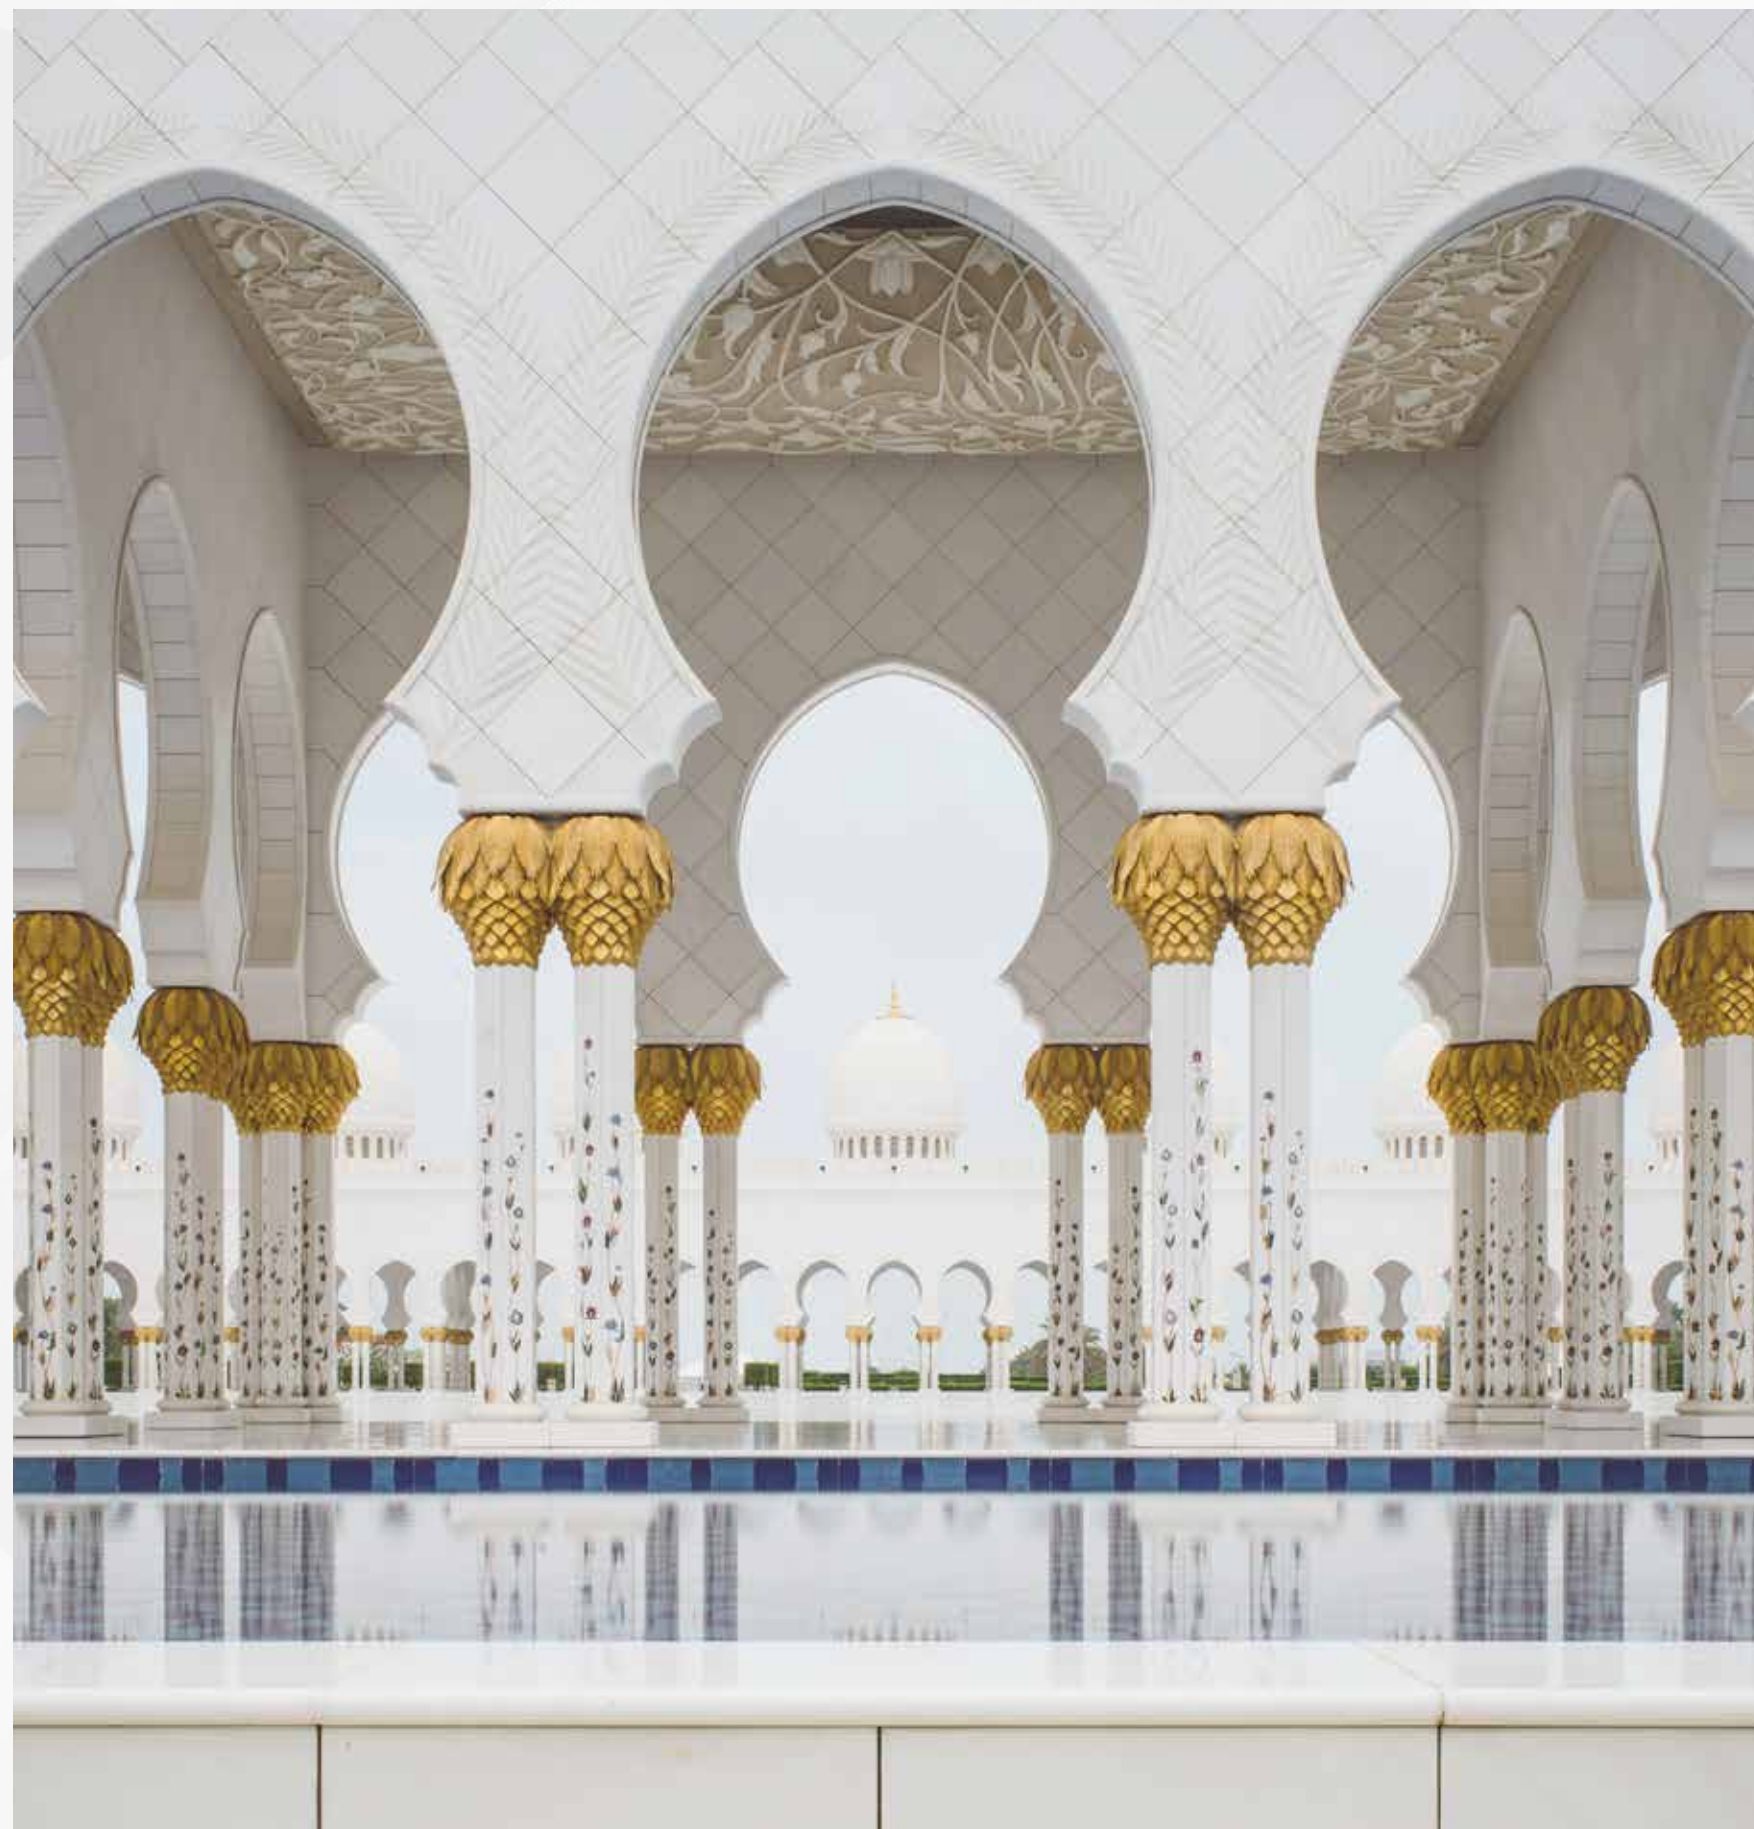

It is time to drive toward an other desert, the magical Rub Al Khali, also known as "Empty Quarter". This huge stretch of unbroken sand that has bested kings, adventurers, and nomads for thousands of years, earned the title of the largest uninterrupted desert on Earth with its fine golden and red sands which form dunes hundreds of feet high. On the way here, we will stop at the Emirates National Auto Museum in Abu Dhabi, where you will find a vast collection of off-road vehicles and classic American cars.

Abu Dhabi

AND ITS GLINTING GLASS

On our last day together, it is time to drive back to the coast and discover the Capital of the UAE. Abu Dhabi has a very diverse offering that makes it an attractive destination, from traditional heritage experiences, theme parks and historic landmarks, to nature activities and museums. The impressive Sheikh Zayed Grand Mosque and the Louvre museum are just two of the many attractions that you will have the chance to visit. In this city you will learn how well old traditions can co-exist with modern sensibilities. And if you prefer some relaxing time, Abu Dhabi offers not only legendary service and luxury hospitality but also pristine white sand beaches and clear water, so you can make your day a once in a lifetime experience.
