THRILL IN A FULL SPEED WEEKEND

Spend a full speed weekend in the homeland of the world's fastest cars, driving an unique and exciting car, an icon of Dolce Vita, conceived to satisfy people aiming for the higher performance.

Thrill, speed, safety: these are the keywords of Motor Valley Tours – Racetrack Experience, the best way to enjoy an enchanting land nestled between the Via Emilia and the Apennines, and discover the “temples” of Motor Sport.

EMILIA'S BEATING HEART

Motor Valley is the charming place where the world's fastest cars are born, a place of "slow food and fast cars" as the great Michelin starred chef Massimo Bottura likes to say. Ferrari, Maserati, Lamborghini, Pagani, Dallara and Ducati factories and museums are located within a few kilometers from Modena, as well as the not-to-be-missed Piazza Grande, a UNESCO World Heritage Site with the Duomo and the Torre Ghirlandina. To complete this thrilling journey that stimulates all one's senses, a vast array of world renowned culinary specialities are offered right here as well.

Motor Valley Tours will allow you to discover all this beauty while driving a legendary car, an icon of the "Dolce Vita", in an absolutely one of a kind bespoke edition. Canossa Events makes its fleet of Abarth 595 Cabriolets available, specially designed by Lapo Elkann's creative genius and Garage Italia craftsmens' skilled hands, also for racetrack driving, where you can unleash all the power of the 165 hp T-jet engine.
