

 CANOSSA

The
DOLOMITES
Grand Tour

IT'S NOT JUST ABOUT EPIC ROADS...
27-29 JUNE 2025

IT'S AN EXTRAORDINARY
CULINARY EXPERIENCE
for the most demanding gourmets

NORBERT NIEDERKOFLER

Atelier Moessmer Norbert Niederkofler

Last July, internationally acclaimed chef Norbert Niederkofler, the only Michelin 3-starred chef in South Tyrol, opened his new restaurant, the "Atelier Moessmer Norbert Niederkofler", in Bruneck. A focus for creativity, exceptional taste and inspiration. In addition to seasonal menus, his haute cuisine addresses issues such as sustainability, short cycles and supply chains with local producers and farmers. Thanks to this commitment he was also one of the first to receive the "Michelin Green Star" The new restaurant is located in the former executive villa of the Moessmer textile company, one of the oldest and most renowned manufacturers of textiles in the world.

MATTIA BARNI

Alajmo Cortina

Leading the kitchen brigade is Mattia Barni, with Alajmo since 2014, first at Ristorante Quadri, and then for three years alongside Max at Le Calandre. The dining room is overseen with refinement and elegance by Davide Del Re, while Gabriele Siroli will guide you in choosing wines.

An elegant and welcoming atmosphere within a venue where history speaks for itself. A place where you feel at home, pampered by a young, dynamic, friendly, and professional staff. "Our every intention will aim to warm hearts, aware that the territory and the atmosphere will be our allies," Raf Alajmo.

IVAN RESCH

Baita Resch

Baita Resch is a hidden gem above Cortina, combining the traditions and authentic flavours of the Ampezzo mountains with a cosy, relaxing atmosphere. It is an ideal place for anyone seeking a delicious meal or a culinary experience immersed in the beauty of the Dolomites.

It is situated in the Son dei Prade area of the Tofane ski resort, at an altitude of around 1,676 metres, on the main road ascending from Cortina to Passo Falzarego.

- Day 1 • 70 km – 1h 30'
- Day 2 • 200 km – 5h
- Day 3 • 90 km – 2h 15'
